Application No. 09/143,232 : DECISION GRANTING PETITION
Filed: August 28, 1998 : UNDER 37 CFR 1.313(c)(2)
Attorney Docket No. 121817.002.022 :

This is a decision on the petition, filed October 4, 2006, under 37 CFR 1.313(c)(2) to withdraw the above-identified application from issue after payment of the issue fee.

The petition is **GRANTED**.

The above-identified application is withdrawn from issue for consideration of a submission under 37 CFR 1.114 (request for continued examination (RCE)). See 37 CFR 1.313(c)(2).

Petitioner is advised that the issue fee paid on June 23, 2006 in the above-identified application cannot be refunded. If, however, the above-identified application is again allowed, petitioner may request that it be applied towards the issue fee required by the new Notice of Allowance.¹

The power of attorney by assignee filed on September 22, 2006 is not acceptable since it fails to set forth the chain and title of each assignment recorded in the assignment records of the USPTO. Petitioner may wish to consider using the format in the form on the USPTO website (PTO/SB/96, copy attached) for setting forth the chain of title of each assignment. As the power of attorney is not acceptable, a courtesy copy of this decision is being mailed to petitioner herein at the address noted on the petition. However, until such time as an acceptable power of attorney is filed, all future correspondence will continue to be directed to the address noted above.

It appears from the certificate of facsimile transmission and the certificate of mailing on the petition that this correspondence was

¹ The request to apply the issue fee to the new Notice may be satisfied by completing and returning the new Part B - Fee(s) Transmittal Form (along with any balance due at the time of submission). Petitioner is advised that the Issue Fee Transmittal Form must be completed and timely submitted to avoid abandonment.

transmitted by facsimile and mailed by first-class mail. It is sufficient only to either fax or mail the correspondence. By doing so, this will avoid unnecessary duplication of scanning the documents into the file and processing of fees.

As authorized, the \$130 petition fee and the \$790 fee for the RCE will be charged to petitioner's deposit account. If duplicate fees are charged as a result of the double submission of this correspondence, petitioner may request a refund of those fees.

Telephone inquiries should be directed to the undersigned at (571) 272-3218.

This matter is being referred to Technology Center AU 2616 for processing of the RCE under 37 CFR 1.114 and for consideration of the Information Disclosure Statement.
